

Curriculum Vitae

OLGA G. SMOLYANINOVA

Doctor of Education,
Professor,
Academician of Russian Academy of
Education
79 Svobodny av., room 13-13, 660041,
Krasnoyarsk, Russia.
Tel.: 7 (391) 2469934
e-mail: smololga@mail.ru

EXPERIENCE

2007 onwards

Director, Institute of Education, Psychology and Sociology, Siberian Federal University (SibFU, former Krasnoyarsk State University)

2003 onwards

Professor, Siberian Federal University, Krasnoyarsk, Russia *2002 onwards*

Head of Department of Information Technologies in Education and Lifelong Learning, Siberian Federal University, Krasnoyarsk, Russia

1998-2009

Dean, Computer Science Department, Krasnoyarsk Pedagogical State University (KSPU), Krasnoyarsk, Russia

1993-1997

Docent, Methodology of Information Technology Education, KSPU *1991-1992*

Teacher, Information Technology Chair, KSPU *1989-1991*

Researcher, Information Technology Chair, KSPU *1982-1989*

Researcher, Krasnoyarsk State University **TEACHING EXPERIENCE**

Courses in “Computer Technologies in Science and Education”, “Multimedia in Education”, “Methodology of Case Study”, “Portfolio Method in Higher Education”, “Information Technology for Humanitarian Scholars”, “FLASH - Technology in Developing Educational Courses”, “A Course in Computer Presentations”, “Developing Educational Video in MOVIE MAKER”.

EDUCATION

2002 St. Petersburg State Herzen’s Pedagogical University, Doctor of Education
1999 Moscow State University, High School of Economics, Project TACIC,
Certificate permission to teach university students courses in Economics and
Business, Moscow

1993 St. Petersburg State Herzen's Pedagogical University, Candidate Degree, Education

1982 Krasnoyarsk State University, Krasnoyarsk, "Diploma with Honors", Physics

SCIENTIFIC INTERESTS

1. The competence approach in the system of pedagogical education.
2. ePortfolio in the assessment of educational achievements and professional development of teachers in longlife learning.
3. Interactive e-learning technologies on the basis of students' cognitive styles and intellectual programming agents.

RELEVANT

- Member of Russian Academy of Education
- 2012 — Krasnoyarsk Professors' Award in Science and Education
- 2012 — Honorary teacher of Higher Education of the Russian federation
- Expert of higher qualification, Project "Long-term Prognosis of Scientific and Technological Development of the Russian Federation for the Period till 2025"
- Member of Russian Psychological Society
- Member of inter-department commission for professional orientation and psychological support for citizens of Krasnoyarsk region
- International E-Learning Association member

LANGUAGE SKILLS: English (proficient user), German (basic user).

PROJECT EXPERIENCE:

1. 2016-2017 —regional program "Development of scientific-educational complex of the Krasnoyarsk region by means of the digital platform of lifelong learning (PL2S)" (No. 16-16-24005) Russian Humanitarian Scientific Foundation. Head of the SibFU project team.

2. 2016 — the Project of Ministry of Education And Science of the Russian Federation No. 3941 " Methodology of assessing learning outcomes in lifelong learning through portfolio technology ". Head of the SibFU project team.

3. 2016 — the Project " Development of e-learning and distance learning technologies ". Head of the SibFU project team.

4. 2014-2015 - State Contract “Strengthening the practical orientation of primary school teachers training for the Ministry of Education and Science of the Russian Federation”. Head of the SibFU project team.

5. 2013-2016 - TEMPUS ALLMEET “Actions of Lifelong Learning addressing Multicultural Education and Tolerance in Russia”. Head of the SibFU project team.

6. 2012 — ePortfolio for Human Resources. ERA.Net RUS Pilot Joint Call. 7th EU Research Framework Program and Russian Scientific Humanitarian Fund. Head of the Russian Team.

7. 2012 — Supporting Mobility among Graduates of Secondary and Higher Professional Institutions of Krasnoyarsk Region by Means of ePortfolio. Krasnoyarsk Regional Scientific Fund. Head of the Project.

8. 2010-2011 — Krasnoyarsk Regional Scientific Fund Grant. Applied Bachelor Program Efficiency: Working Out System Model of the Effectiveness Indicators. Head of the Project.

9. 2011 — Krasnoyarsk Regional Scientific Fund Grant. Increasing the Quality and Accessibility of Education in Krasnoyarsk Region: Development of the Natural Science Content Structure for Secondary Schools. Head of the project.

10. 2010 — Social and Educational Content of eLibrary of the Siberian Federal University for Human Resources Development of Krasnoyarsk Region: Concept of Realization, Grant from Krasnoyarsk Regional Fund for Scientific and Technical Research Support. Project Manager.

11. 2009 — Deutscher Akademischer Austausch Dienst (DAAD) Grant on

ePortfolio for Assessment Purposes and Presenting Achievements. Individual project.

12. 2009 — IREX Grant FY09-UASP-Smolyaninova-01 „E-portfolio as a Means to Improve the Teacher Assessment Scheme at the Institute of Education, Psychology and Sociology of Siberian Federal University”. Head of the Project.

13. 2008-2009 — Russian Humanitarian Scientific Fund Grant № 08-09-06-00736a “Formation of the Informational and Communicative Competency within Master/Bachelor Program on the Basis of Multimedia Technologies within Information and Educational University Environment”. Head of the Project.

14. 2008 Scientific Project “Methodological Analysis of Modern Methods and Technologies of Assessing Information and Communicative Competency of Bachelor/Master Program Students of Humanitarian Branch of Study within Information and Educational University Environment”, within “SIBFU Development Program for 2007-2010”. Head of the Project.

15. 2008 Federal Program of Educational Development № F-331 “Developing and Probation Prospective Models of Higher Pedagogical Education (Master level) for Meeting HR Needs of Secondary Schools”, within the Program “Increasing Effectiveness in the System of Educational Management”. Head of the Project.

16. 2007-2008 Project “Long-term Prognosis of Scientific and Technological Development of the Russian Federation for the Period till 2025”. Expert of higher qualification. Head of the Project.

17. 2007 “Developing a System of Scientific and Practical Work and Support of Scientific, Research and Innovative Activity for Post-Graduate Students, Masters and Bachelors of Social and Humanitarian Specialties at the Siberian Federal University”. Siberian Federal University Grant. Head of the Project.

18. 2006-2007 “Implementing of a Multi -Level System of Bachelor’s and Master’s Degree Programs in Pedagogy and Psychology in Accordance with the Bologna Process“ IREX and Carnegie Corporation Grant. Head of the Project.

19. 2006 Program “Developing Structure and Content of Educational Programs for Training Specialists in IT for Secondary Schools (Methodological Approach to Formation of the Students' Information and Communication Competencies by Means of Multimedia Technologies)”. Russian Academy of Education Grant. Head of the Project.

20. 2005 Program “Formation Competencies in the Sphere of information Technologies with the Help of Multimedia for Students of Pedagogical Specialties of a Classical University”. Siberian Branch of Russian Academy of Science. Head of the Project.

21. 2004-2005 Developing a Scientific Topic № 37. “Formation of Competencies by Means of Multimedia Technologies for Students of Pedagogical

22. Specialties”. Siberian Branch of Russian Academy of Education. Head of the Project.

23. 2004-2005 Pilot Project “Creating Centre of Information Technology and Professional Development at Psychological and Pedagogical Department, Krasnoyarsk State University”. IREX Grant. Head of the Project.

24. 2004 Program “Scientific and Methodological Grounds of Multimedia

Technologies in Pedagogical Education in the Open Educational System”. Russian Academy of Science Grant. Head of the Project.

25. 2004 Grant University Administration Support Program (UASP). Studying Administrative and Educational Programs in American universities. Case Study “Motivation of Professional Activity of American Higher School Teachers”. IREX Grant. Individual program.

26. 2004 Probation and Expertise of Experimental Samples and Learning and Methodological Content of Computer Tool Environment for Primary School worked out at Russian Gertzen's State Pedagogical University. Program distribution by “Kirill i Mefody” Ltd. Head of the Project.

27. 2001-2002 Research Project “Using Multimedia in Distant Education”. USA, LasCruces, NM. Fulbright Scholar Program. Head of the Project.

28. 2002 Project “Study of the Regularity of the Dynamics in Modern Socio-Humanitarian Development”. Russian Humanitarian Scientific Fund (RGNF) Grant № 01-06-00059A. Head of the Project.

29. 2001 Project “Environment of Social and Pedagogical Development”. Russian Humanitarian Scientific Fund (RGNF) Grant. Head of the Project.

HOBBY: Yoga, mountain skiing
